

MUD JUNGLE

BOX BLINDS

BOX BLINDS

“We’ve been using box blinds for years, but never have we seen success like we’ve seen since using the Muddy line of box blinds. These blinds are over built, and do a superb job of containing your scent which gives us the advantage we’ve been looking for. If you can beat a deer’s nose, you’re doing something right. Great job, Muddy!”

- Mark Drury
Drury Outdoors

CONSTRUCTION

THERE IS NO COMPARISON, MUDDY IS SUPERIOR TO OTHER FIBERGLASS OR MOLDED PLASTIC SETUPS.

THERMA-TEK: Innovative structural insulated design provides **ULTIMATE THERMAL CONTROL, SCENT CONTROL, AND NOISE CONTROL!**

- Exterior Grade UV Protected PVC, 1.5 Pound Density Foam, Tempered Hardboard, Marine Carpet are bonded together for unbeatable performance!
- THERMAL CONTROL** – Panels have an R-7 insulation value; Offers superior climate control
- SCENT CONTROL** – Each seam is sealed with aircraft grade sealant/adhesive to keep the elements out and scent in
- NOISE CONTROL** – The innovative Therma-Tek design offers the ultimate noise barrier. Entire wall panel is carpeted

SOLID FLOOR: Joist and sheeting construction

- Super strong and quiet!
- Dead air chamber** provides insulation
- Noise control

HEAVY-DUTY ROOF: Rotational molded polymer construction

- Ultimate in strength to handle **any snow load**
- Hollow-core technology** provides dead air gap on the roof for insulation and added strength
- A full **6” of roof overhang** to defend against even the toughest elements

INTERIOR

- **DURABLE CARPET:** Dark color keeps you hidden, sound deadening, floor removable for easy cleaning
- **SHELF:**
 - 1 Rotational molded shelf
 - Raised lip around the entire perimeter to help keep items on shelf
 - Molded-in drink holder & cubby box
 - Two 1/4" – 20 molded-in inserts into shelf to allow the use of many accessories using 1/4" – 20 threads
 - Holes provided to integrate a towel bar (bar not included)
- **TALL ENOUGH TO STAND**

Made in USA

SHIPPED FULLY ASSEMBLED!
